You must be at least 18 years old to enter bars, pubs, nightclubs and casinos, as well as to purchase or consume alcohol (be prepared to produce ID if asked). Wines and spirits are sold through the Société des alcools du Québec (SAQ), the provincial liquor board. Beer is available at grocery and convenience stores, which also stock a limited selection of wines.

Currency Exchange

There are numerous exchange offices in Québec's main urban centres. Airports also offer exchange services. Some businesses accept American money, but tend to offer a less competitive rate than the exchange offices.

Cell Phones

Use of a cell phone is prohibited while driving.

Driving in Québec

Since Canada uses the metric system, speed limits and distances are posted in kilometres per hour (km/h) and gasoline is sold by the litre (l).

It is illegal to transport or use radar detectors in Québec.

Voltage

In Québec, the standard voltage is 110 volts/60 cycles, as it is throughout North America. Since the outlets cannot accommodate European plugs, you will need to bring or buy an adaptor.

Canadian Currency

The legal currency in Québec is the Canadian dollar (CAD), which is divided into 100 cents. Bank notes are available in denominations of 5, 10, 20, 50 and 100 dollars, and coins in denominations of 5, 10 and 25 cents as well as 1 and 2 dollars. Bank cards and major credit cards are also accepted almost everywhere.

Drugs and Driving

This Act introduces a zero-tolerance principle when it comes to drugs and driving by prohibiting anyone from driving a vehicle if there is a detectable presence of cannabis or any other drug in that person's saliva. Offenders are subject to an immediate 90-day suspension of their driver's licence.

According to the law, you must be at least 21 years old to purchase or consume cannabis (be prepared to produce ID if asked). The legislation also includes other measures, such as the prohibition from consuming drugs (cannabis or any other drug) in a road vehicle, on an off-road vehicle or on a bicycle.

Road conditions

For information on road conditions or other aspects of trip-planning, call 511 or 1 888 355-0511, or visit quebec511.info.

Tipping

Tipping is customary in restaurants, bars and taxis. The amount, which is not included in the bill, is generally equivalent to 15% of the total bill before taxes. For quick tip calculations, Québécois normally add up both taxes. Tipping bellhops or porters is at your discretion (generally, \$1 per bag).

Winter Tires

From December 1st to March 15, all taxis and passenger vehicles registered in Québec must be equipped with winter tires. This requirement also applies to rental passenger vehicles in Québec.

Tourist Routes

The official tourist routes are clearly marked with blue signs. They are designed to highlight the attractions of the regions through which they pass, and to enable visitors to discover the extent of Québec's natural and cultural treasures.

Tourist Signage

In Québec, tourist regions and directions to services, attractions and activities are indicated by blue road signs. For more information, visit panneauableu.com and tourisme.gouv.qc.ca/signalisation (in French only).

Taxes

Québec has two taxes : the 5% federal goods and services tax (GST), and the 9.975% Québec sales tax (QST). An accommodation tax of 3.5% of the room price per night also applies in our region.

Village-relais Accredited Services

If you feel like taking a break or require assistance while on the road, look for the Village-relais signs. These point to villages that, together with local businesses, offer a range of accredited services and a safe and pleasant place to stop. villages-relais.qc.ca
